

R20. Regulation on Using CITY ULE Facilities

The CITY ULE facilities comprise the premises in which CITY ULE is hosted, including classrooms, offices, libraries, laboratories, recreation facilities, open space etc. and all the equipment which is located in them.

All members of CITY ULE are entitled to use the facilities for the fulfillment of their educational and research obligations.

Each facility issues specific Policies and Guidelines for its use.

The CITY ULE has a Policy on Health and Safety related to the use of the facilities.

The use of CITY ULE facilities by individual members of the CITY ULE community or by CITY ULE bodies for purposes not related to the university operation is only permitted after written permission from the Vice-President & Principal (CEO).

The use of CITY ULE facilities by non-CITY ULE bodies or persons is only permitted after written permission from the Vice-President & Principal (CEO), after a positive recommendation from a Senior Officer of CITY ULE.
